Sarah & David Ramsbottom and their two children moved into their newly renovated Habitat home in September 2016. Completion: January 2017

This semi-detached duplex was completed in early 2017 but the majority of construction took place in 2016. The Leonard-Lacasse family and the Scheel family both completed their 500 sweat equity hours well before their move in date.

### **15 & 17 Irene St., Huntsville**
