

Driver / Warehouse Associate – ReStore

Part Time (up to 35 hours per week)

We're Hiring!

People all over the world partner with Habitat for Humanity to build or improve a place they can call home. With our help, Habitat for Humanity homeowners achieve strength, stability, and the self-reliance they need to build a better life for themselves and their families. Proudly owned and operated by Habitat for Humanity Ontario Gateway North (HFHOGN), Habitat for Humanity ReStores play an integral part in Habitat for Humanity's mission, bringing financial support for our work and offering a unique opportunity for people across our communities to experience and interact with us.

Interacting with both individuals and businesses, the **Driver / Warehouse Associate** is routinely the first in-person connection between the ReStore and our donors. Your contribution to the donor experience begins with the receipt of donations and the care and tact with which you manage each pickup or delivery. A key point of contact, you are the face of Habitat for Humanity in the community. Your manner conveys professionalism on the job and appreciation of our donors. Your service-based approach extends to every aspect of your role, whether assisting customers with loading and unloading and/or delivery at their homes and places of business or at the ReStore receiving door. Your time will be divided between executing deliveries and pickups, and processing donated items through receiving to the ReStore floor. While generally based at the Huntsville store, you are also available for occasional deliveries and pickups beyond HFHOGN territory or between other HFHOGN ReStores.

This is a part-time (up to 35 hours per week), year-round position.

Habitat for Humanity Ontario Gateway North wishes to thank all applicants for their interest. Only those selected for interview will be contacted. The selected candidate will be required to consent to a criminal record check.
