

# ReStore Associate

## **We're Hiring!**

Habitat for Humanity is a not-for-profit organization, dedicated to mobilizing volunteers and community partners in building simple, decent affordable housing. Through geared-to-income, interest-free mortgages, Habitat promotes market-value homeownership as a hand-up rather than a hand-out in breaking the cycle of poverty and fostering community well-being.

ReStores help fund Habitat's homeownership program through the sale of donated new and gently used construction materials and household items. By diverting recyclable and reusable goods from landfill sites, ReStores promote a better environment for all Canadian families.

The **Sales Associate** provides front-line reception to customers visiting and telephoning the ReStore. In addition to responsibility for daily cash management, from point of sale through cashing-out, the Sales Associate will assist in retail merchandising and in the coordination of scheduling of deliveries and pick-ups of donated goods. Your day will be a continuous bustle of physical activity, marked by frequent interruptions and shifting priorities, all aimed at satisfying our customers and allowing the ReStore to be a major contributor to Habitat's mission to provide affordable home ownership for hard-working families.

**This is a full-time, year-round position, with company-paid Benefits!**

*Habitat for Humanity Ontario Gateway North wishes to thank all applicants for their interest. Only those selected for interview will be contacted. The selected candidate will be required to consent to a criminal record check.*

Job Type: Full-time

Salary: \$14.00 /hour
